

# GRANDÉ ROUX BONGRAAF

13/10/2009

16.2hh

Chestnut

Bongraaf is a beautiful, chestnut mare with four white socks and a blaze. Although cheeky, she has a lovely temperament. She has expressive movement with a perfect jump. She was initially schooled to be sold, but showed so much talent that we decided to keep her for breeding purposes. Her sire, Burggraaf, needs no introduction as he performed at the highest level in both jumping and breeding. Bongraaf's dam was one of only 3 premium mares in the Alzu Stud. Bongraaf's full brother, Alzu Braveheart, is competing successfully at high levels in SA.
