

GRANDÉ ROUX FORMIDABLE

09/01/2016 • Still growing • Liver Chestnut

Formidable is our third Fürst Nymphenburg colt out of our top producing mare, Grandé Roux Salero. Out of the three brothers, Formidable resembles his sire closest in both conformation and appearance.

We started backing Formidable at the beginning of 2018 and plan on giving him a break after the backing process. He is quite tall, just as his brothers, and we will therefore allow him the extra time to mature before putting him into full work.

Formidable is still entire as believe he has potential to be a breeding stallion.
