05/04/2013

• 15.2hh

• Chestnut

Great Times was backed in 2017 and produced by Elena Jankowitz. She competed him in novice dressage, fetching good scores with such a young horse - 1st and 2nd places! At the end of 2017 he was moved to Anya Moller to start his jumping career. He has done his first graded shows beginning of 2018 and is already boasting 1st and 2nd places.

Great Times has a good temperament, enjoys his work and is a great companion. Great Times is bred for jumping, but shows potential for dressage as well.

His initial jumping training shows that he is careful with excellent technique - he has only had clear rounds at shows so far. Great Times has completed his professional, basic schooling and is ready to start a relationship with his new owners.
