

# GRANDÉ ROUX SPENDOUR

05/12/2015 • Still growing • Bay

Splendour is by the famous Sir Shutterfly who is the full brother to Meredith Micheals-Beerbaum's top horse Shutterfly. He is out of our Burggraaf x Bambix mare which together with Sir Shutterly combines excellent jumping lines.

Elena Jankowitz started backing Splendour at the beginning of 2018. He has already been screened at Witbos Clinic by Dr. Roy Gottschalk and has been vetted clean.

We expect his backing and initial schooling to run smoothly and look forward to sending him to Anya Moller at the end of 2018 to

start his jumping career. Splendour is a compact, strong gelding and has been a jumper at heart since birth. A very exciting future prospect.
